A WALTZ QUADRILLE.

ELLA WHEELER.

The band was playing a waltz quadrille—I felt as light as a wind-blown feather, As we floated away at the caller's will Through the intricate, maszy dance together.

Like a mimic army our lines were meeting, Slowly advancing, and then retreating, All decked in their bright array; And back and forth to the music's rhyme We moved together, and all the time I knew you were going away.

The fold of your strong arms sent a thrill From heart to brain, as we gently elided Like leaves on the waves of that waltz quadrille.

Parted, met, and again divided, You drifting one way and I another Then suddenly turning and facing each other.

Then off in the blithe chase, Then sidly back to our place a-swaying, While every beat of the music seemed saying That you were going away.

I said to my heart, 'Let us take our fill Of mirth and pleasure, and love and laughter, For it all must end with this waltz quadrille.

And life will never be the same life after. O! that the caller might go on calling— O! that the music might go on falling—

Like a shower of silver spray— While we whirled on, he vast forever, Where no hearts break and no ties sever, And no one goes away.

A camor, a crash, and the band was still, 'Twas the end of the dream and of the measure. The last low notes of that waltz quadrille

Seemed like a dirge over the death of pleasure. You said good night and the spell was over—

Too warm for a friend and too cold for a lover— There was nothing more to say; But the lights looked dim and the dancers weary.

And the music was sad, and the ball was dreary A for you went away.

THE PARISIAN WAITER.

The waiter in London, Vienna, New York, or any metropolitan accretion of human particles, may subdue you by the austerity of his office, and bully you by the innumerable artifices of a vulgar mental nature, but the Parisian prototype is wiser in his day, and neither begs, bullies nor berates. The *l'argesse* you leave him is rather the souvenir of an equal to an equal than the gratuity carelessly tossed to a menial. The Paris "man and brother" brings about his conquest by the suggestion of all that you associate in your mind with his kind. What tactful deference to the host! What engaging and generous zeal that you shall have the best in the "patron's" cellar! How seductively you are made to feel that the patron himself is a common enemy to combat; the waiter an ally whom you have invoked! the demure, respectful, devoted being who adjusts with trained hands and artistic sense the table and its appetizing viands, whose devotions for the moment are not alone the honor and repletion of your friends, but solicitude that your table shall make a fine effect, and that your dinner shall receive not only the justice of eating but the encomiums of those honored by the attention of a friend so superior and so kind! How insensible it stimulates a man's best opinion of himself to have such a potentate in attendance, set out in the costume prescribed his order, not as a mark of condition, but as a regalia of place, like the surplice at the altar, or the livery of the state.

"See here," said the star to the manager, "If you are going to have bouquets handed to me every night, why don't you have decent ones? Look at this to-night's; it's all wilted. Why can't I always have as good a bouquet as I had last night?" "As good a bouquet as you had last night?" shrieked the manager; "why, holy sushflower, it's the same one!"

"What is a l-ke?" asked the teacher. A bright little Irish boy raised his head—"Well, Mikey, what is it?"—"Sure it's a hole in the kittle, mum."

Pipe smoking is the real test of a tobacco. It is the real way of smoking. You get more directly at the flavor and fragrance. You take the smoke cooler, and the tonic cleaner and safer. Pipe smoking is smoking reduced to a fine art. The more the question of adulterated tobacco forces itself on the attention of smokers, the more desirable it becomes to know precisely what you are smoking. In Blackwell's Bull Durham Smoking Tobacco you have a guarantee, always, that it is Nature's own unadulterated product. Its fragrance, flavor, and unsurpassed quality are derived from the soil and air. Try it, and you will be satisfied. None genuine without trade-mark of the Bull.

All successful Fishermen and Sportsmen smoke Blackwell's Bull Durham Smoking Tobacco, and they enjoy it.

HOW TO DETECT AMMONIA
In Baking Powders Advertised as Absolutely Pure.**HOUSEKEEPERS' TEST.**

Place a can top down on a hot stove until heated, then remove the cover, and smell. A chemist will not be required to detect the presence of AMMONIA.

FOOD TEST.

Office of M. DELAFONTAINE, Analytical and Consulting Chemist.

Chicago, May 8, 1884.

Dr. PRICE—Dear Sir: I have analyzed Baking Powders advertised as absolutely pure, and find they contain AMMONIA. I also find, contrary to my expectation, that cakes baked with such powders still retain ammonia. Therefore, I cannot believe any longer that the use of so POWERFUL A DRUG in baking is indifferent to PUBLIC HEALTH. DR. PRICE'S CREAM BAKING POWDER CONTAINS NO AMMONIA. I have used it in my own family for years. It is pure and wholesome.

M. DELAFONTAINE.

CHEMICAL TEST.

"COLLEGE OF PHYSICIANS AND SURGEONS," Chicago, May 3, 1884.
C. B. Gibson, Analytical and Consulting Chemist.

Gentlemen:—In Baking Powders advertised as absolutely pure, I have found on analysis, Ammonia. Considering the SOURCE of Ammonia, namely, that of EFFETE and DECOMPOSING ORGANIC MATTER and that it is not entirely dissipated in the oven, as has been conclusively proven in practice as well as by Science, I should not think of using a powder containing it in my own family, nor of recommending it for general use, but would prefer a Baking Powder made of wholesome materials, such as I have found DR. PRICE'S CREAM BAKING POWDER to be.

Very respectfully, C. B. GIBSON, Analytical Chemist.

HEALTH TEST.

Office of G. A. MARINER, Analytical and Consulting Chemist.

Chicago, May 3, 1884.

I have examined Baking Powders in common use, advertised as ABSOLUTELY PURE, and found AMMONIA. The use of such is PROHIBITED IN MY FAMILY, as Ammonia is RETAINED IN THE FOOD, AND IS UNFAVORABLE TO DIGESTION, and is discharged from the system as useless matter. DR. PRICE'S CREAM BAKING POWDER has been used in my family exclusively for many years.

G. A. MARINER.

**DOES NOT CONTAIN AMMONIA.**

Prepared by a Physician and Chemist with special regard to its healthfulness. Used in a Million Homes for a Quarter of a Century. Stood the Consumers' Reliable Test.

TEST of the OVEN! PRICE BAKING POWDER CO., MAKERS OF**Dr. Price's Special Flavoring Extracts,**

The Strongest, Most Delicious and Natural Flavors known.
